

Our Statement: Responsible Sourcing of Palm Oil

Consistent with Sara Lee Frozen Bakery Values and our Supplier Code of Conduct:

We source Palm Oil from Supply partners that are members of the Roundtable for Sustainable Palm Oil (RSPO). We encourage our suppliers of component ingredients that contain Palm Oil to source responsibly.

We do not knowingly purchase palm oil from illegally cleared land or palm oil that does not comply with local laws and regulations.

We look for ongoing opportunities to collaborate with the industry in order to improve our policies and practices related to palm oil sourcing.
